

Dear Parents and Carers,

Welcome to Sharnbrook Primary.

The years in Primary School are extremely important as the teaching provided lays the foundation for all future learning. Choosing the right school for your child is an important decision that all parents have to make and I hope that our website will help you in this process. We aim to provide information, answer questions and highlight the characteristics that make our school special.

In our school we aim to provide a happy and stimulating environment in which children enjoy learning and are encouraged to do their best. Every child is entitled to a curriculum which is balanced and broadly based. We provide opportunities and experiences where each child can acquire knowledge and can develop concepts, skills and understanding. The curriculum as a whole promotes the spiritual, moral, cultural, mental and physical development of each child and prepares them for the opportunities, responsibilities and experiences of future life. Respect, care and courtesy for others is actively encouraged. Our aim is that each child should strive for excellence and reach his or her full potential.

Learning is most effective and stimulating when parents share an interest in children's activities and in the work of the school. Therefore, we encourage and welcome your support in the education of your child. The partnership that we build together when your child joins the Early Year's Foundation Stage is important to your child's future at Sharnbrook Primary and beyond.

If at any time you have any queries, please do not hesitate to contact me.

Yours sincerely,

Miss Hannah Bennett

Head teacher
