Welcome to Falcon School Gymnastics Club,

# We are now taking bookings for our Spring term gymnastics classes at Sharnbrook Primary School.

Our sessions start with a fun warm-up, before the gymnasts move on to a variety of activities including floor skills, group sequences, box work and much more. Our goal is to help every child achieve their best in gymnastics while being safe and having fun!

All gymnasts like to receive recognition for their achievements, and that's why Falcon Gymnastics Club will give every gymnast the opportunity to progress through our awards schemes, which are specifically designed and created for primary school education and aligned to the National curriculum.

Our session leaders are British Gymnastics qualified, hold an enhanced DBS, have completed awareness training in Child Protection and are First Aid qualified.
