

A photo challenge for you or/and the children.

Each day you are prompted to take a photograph. This will help to create a positive attitude and also give a purpose to one part of the day.

You are welcome to tag me on Instagram with your photos @elsa_support or on Twitter @elsasupport

Let's use the hashtag #elsaphotochallenge

ELSAs you can post in our [ELSA Group](#) and Parents you can post in our [parent group](#) I will be setting up a post each morning.

Looking forward to seeing your wonderful photos
